

American Lincoln Parts

Presently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the business they are recognized within the industry as providing durable and strong machines which satisfies the needs of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery operated walk behind model of floor scrubber with the Clarke Company that is currently also owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These kinds of scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln could supply components, warranty service and machines for these kinds of scrubbers which carry both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility managers where results and efficiency count. Lately, this floor scrubber model has been requested by the architects in various construction projects like for example Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on site because of the model's utmost performance level and high standard of quality for polishing concrete.
