

Ingersoll Rand Forklift Parts

Offering solutions, services and products to ensure efficiency and to increase the productivity within residential, industrial and commercial surroundings, Ingersoll Rand is very proud provider of products that help improve the safety, comfort, security and health of individuals all across the world.

The Climate Solutions sector provides a world-class product line of energy efficient HVACR solutions for customers. Thermo King is the leader in transport temperature control, while Hussmann is a manufacturer of food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, building and contracting advanced controls, services and parts support used for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand provides products and solutions to enhance operations, energy efficiency and productivity for their customers. The series of products in their line comprise: tools and pumps, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the global leader in golf and utility vehicles intended for businesses and individuals.

Popular brands like for instance Trane and Schlage compromise the Residential Solutions business, providing comfort, safety and efficiency to home owners all across North America. Several of their innovative quality products include mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

Ingersoll Rand' Security technologies provide products which ensure secure, safe and productive surroundings. This division's market leading products consist of floor and door closers, portable security devices, exit devices, biometric and electronic cabinet hardware, access control systems, steel locks, doors and frames, decorative hardware and locksets. Recognized trade names like Schlage even offer time, attendance and personal scheduling systems.
