

Fork Mounted Sweepers

This particular attachment truly makes industrial sweeping work a lot easier to accomplish. The handy lift truck mounted broom is designed for use with either wet or dry material clean ups. It could squeegee water and push snow easily. This particular accessory is normally utilized to be able to clean trash from parking lots, warehouses, construction sites, docks and almost everywhere it is required. The forklift sweeper is a low maintenance accessory which utilizes quick-tite tine products to effortlessly attach to the forklift.
